Instrumental in managing design, erection, Installation & Commissioning of Hair Oil, Honey, Hajmola & Chywanprash Plants with the management of entire civil, Electrical, HVAC & Mechanical Jobs.

## PROJECTS & ACHIEVEMENTS:

Headed the erection Installation & Commissioning of manufacturing set up and packing line of 300 BPM for Product Sarson Amla Hair Oil with all mechanical, civil and electrical Jobs.

Headed expansion project of Honey Plant 80 tons/day with all manufacturing setup and one packing line of Speed 150 BPM installation & Commissioning worked from scratch for this project from designing and selection of equipment to the Execution.

Headed Hajmola project with all manufacturing & Packing setup worked from scratch for this project from designing and selection of equipment to the Civil, HVAC Jobs.

# Machinery Technical Exposure:

**Bottle Filling Machines:** SS Packaging, Shree Ji Flow tech, Autopack, Liquipack, Rotofill, Prismtech.

**Labelling Machines:** PE Labelers, Maharishi Udyod, SS Packaging, World Pack, Hilda, Prismtech.

**Bottle Unscrambler:** Clearpack & SS Packaging.

**Shrink Wrap Machines:** Autopack and Clearpack.

**Tube Filling Machine:** Pacmac.

**Sachet Machines (FFS):** Satellite Engineers, 2track, 6 track, 12 track (Akash packtech & Shubham Flexible Packaging).

**Flow Wrap Machines:** AAR GEE Automation, Khosla precisions.
